**Canvas This** can transform a blank wall into almost any vision you desire. You can set a mood or theme in any home, retail or commercial interior by selecting an image that creates the feel you are after. Be as inventive as you like to create your own space.

### Wallpaper Your Home

Decorate your wall with pictures that have meaning & tell a story with Canvas This Wallpaper. There are so many ways you can transform an empty room into a feature wall with character.

### Wallpaper Your Business

Canvas This Wallpaper does not only visually enhance the look of your business but can also be used as signage to promote your company.

### Wallpaper Your Office

An empty office wall could transform into a library of books by selecting images of bookshelves and giving the impression the wall space is filled with antique encyclopedias.

### Wallpaper Your Favourite Area

Create the feeling you are relaxing by the Mediterranean with a scenic shot of your favourite holiday destination as Wallpaper.

### Wallpaper Your Design

Canvas This can digitally print your photographs, artwork, logo or graphics onto quality Wallpaper.
